

**ACTINIZYME**

## ***Vegetarian/Vegan Suitability Statement***

Anagenix's product Actinizyme™ is suitable for consumption by individuals who consume a vegetarian/vegan diet.

Anagenix Limited confirms that our product complies with the following statements:

- The product is manufactured from kiwifruit, which were grown, processed, and packed within New Zealand.
- The product contains silicon dioxide (2%) and microcrystalline cellulose (5.5%) as flow and anti-caking agents.
- There are no other excipients present in the product.
- The product contains no animal or animal derived products either directly or indirectly through excipients or flow agents.
- Anagenix has not tested the product on animals, nor have we commissioned others to test the product on animals on our behalf.
