

BRAINCURRANT®

Vegetarian Suitability Statement

Braincurrant® is suitable for consumption by individuals who consume a vegetarian diet.

Anagenix Limited confirms that our Braincurrant® product complies with the following statements:

- Braincurrant® is manufactured from blackcurrant, which were grown, processed and packed within New Zealand.
- The product contains silicon dioxide (1.5%) and microcrystalline cellulose (5.5%) as flow and anti-caking agents.
- There are no other excipients present in the product.
- Braincurrant® contains no animal or animal-derived products either directly or indirectly through excipients or flow agents.
